DETAILED ACTION

Reissue Applications

1. The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following matters: the declaration does not include the statement that the person signing “has reviewed and understands the contents of the specification, *including the claims*,...” [Emphasis added]. Furthermore, the Declaration is defective in that the stated errors were not corrected in this reissue application. The applicant(s) need to submit a New Declaration stating at least one error being relied upon as a basis for this reissue application. Since the claims have been amended in an amendment filed 2/26/2003, a New Declaration should also cover for these changes.

2. Claims 16-17, 19-20 are rejected as being based upon a defective reissue oath/declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the oath/declaration is set forth in the discussion above in this Office action.

3. Applicant is notified that any subsequent amendment to the specification and/or claims must comply with 37 CFR 1.173(b).

4. The examiner requests that the applicant(s) makes changes and/or corrections as required by this office action.
